

Directions

1. Drive from Johannesburg on the N1, pass Centurion, and then pass Atterbury and Lynnwood Road off ramps.
2. Pass Innovation Hub on the left, then take the turnoff at the N1/N4 intersection. Take the turnoff to the N4 going East, i.e. away from Pretoria. Then take the right fork. Be careful here that you do not go extreme left and go to Pretoria city centre. Also be careful that you do not take the next right fork after this, otherwise you will end up back on the N1 and will then have to go some distance to a toll gate to turn around. You must turn sharp under the bridge, curl around and head east.
3. Travel along the N4 for about 7km.
4. Take Simon Vermootenoff ramp, stay left, and cross over the freeway that you were on. (This is on map below)
5. At the robot, turn left into Furrow. There are a few shops on both sides of the road.
6. Crossover a circle then go on one block to another circle, cross over that and carry on.
7. At the next turn, turn right into Cura.
(The map shows a purple line, you can go that way or straight along Furrow to Cura as explained)
8. Travel up about 300metres and take the first turn left into Meerlust.
9. We are 798 Meerlust, about the 3rd house along on the left, white with a black roof, on the corner with Nolene. Turn left into Nolene (our entrance is in Nolene). You will see a brown wooden garage door on your left.

You can park in front of the garage door. Stay at least 2m back from the door in case it opens.

There is a doorbell around the corner on the left wall, quite well hidden!
